***Terms & Conditions:**

Lifetime Map Updates you will receive up to 4 map data updates per year, when and as such updates are made available on Maka GPS Technologies's website, for 1 compatible Marbella product until your product's useful life expires or Maka GPS Technologies Pte Ltd no longer receives map data from its third party supplier, whichever is shorter.

A product's "useful life" means the period during which the product (a) has sufficient memory capacity and other required technical capabilities to utilize current map data and (b) is capable of operating as intended without major repairs. A product will be deemed to be out of service and its useful life to be ended if no updates have been downloaded for such product for a period of 24 months or more. Unless otherwise stated, the updates you receive under the subscription will be updates to the same geographic map data originally included with your Maka GPS Technologies Pte Ltd product when originally purchased.
